October 2017

Dear fellow Steward,

I am sitting back quietly like a sponge trying to observe and soak in our parishes and I am learning, what dedicated people you are in your respective parishes, about your love for the faith in which you all possess, that each parish in their own respective way is excited about what their particular future holds. I continue to learn A LOT, but you see we are all learners on a journey with God, but the question remains "Who are you following?" Who is your teacher? Are you your own teacher, or do you allow Christ to be the leader in your life? I hope the answer is Christ our Shepherd.

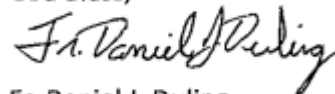

One thing I have learned about our parishes is like many parishes in our diocese, we have not done an adequate job of proclaiming the message and the graces of stewardship to everyone. While I am not making excuses, in my short time here I have found our parish office is very inadequate on how we keep track of members in our respective parishes. We have no formal database or member registration. As your Pastor, my only resource is the Parish directory. While this is a great tool, it is not enough to help me minister to you the great people of God. Therefore, part of our renewal process this year is re-registration. Everyone is being asked to fill out the forms and re-register in your parish to update our database with your information. This re-registration process will help me to get to know you and help me in administering the different sacraments to all of you. I am grateful and thankful for your support and help in this process.

Also, please take this stewardship packet as an invitation to get more involved in your particular parish.

- If you have embraced stewardship fully, I ask you to share your story. Tell your friends, your neighbors, and the person in the pew next to you. Tell them the blessings which have come from your life in following Christ more profoundly.
- For those who have taken steps to grow as stewards of God, first of all "Thank you" for taking that leap of faith and I ask that you take the next step. As you look at the enclosed opportunities, make a plan to give a little more of your time, talent, and treasure.
- If you have not yet heard the call of stewardship in your life, I am sorry. You are missing out on some of the greatest blessings God can give you. Please look over the materials and see if you can *truly* share, in some way, the gifts God has blessed you with.

As three parishes united as one catholic community, it amazes me to see how you truly do care about one another and the success of the neighboring parish. As your Pastor and common link between all three parishes, I am excited about our future. I, too pray about how I am going to recommit myself to the Stewardship way of life and what commitment I need to make to our parishes. Please pray for one another in the weeks ahead as we all recommit ourselves to following Christ

God Bless,

Fr. Daniel J. Duling

Stewardship of TREASURE

"As each one has received a gift, use it to serve one another as good stewards of God's varied grace." (1 Peter 4:10)

Stewardship of treasure involves reflecting on one's financial resources and prayerfully deciding to give a generous, proportionate, and sacrificial gift for the ministry of the parish, the diocese and other charities. This gift is from the "first fruits of our labor" rather than from what is left over after our needs are met. Such a gift is an act of faith, an act of stewardship.

Parishioners in the Diocese of Wichita strive to commit 8% of one's income to the parish and 2% to other charities. If this goal cannot be realized now, it is encouraged to begin at some percentage and to prayerfully reexamine it each year. Here is how it works:

Earning \$500 a week, would look like: Earning \$4,000 a month, would look like:
\$500 x .08 (8%) = \$40 a week to my parish \$4,000 x .08 (8%) = \$320 a month to my parish
\$500 x .02 (2%) = \$10 a week to other charities \$4,000 x .02 (2%) = \$80 a month to other charities

\$ _____ (weekly or monthly income) x _____ (%) [8% is .08; 7% is .07, etc.]
